

What is Section 203?

Southwest Arkansas Red River Navigation (SWARRN) Section 203
Integrated Feasibility Report and Environmental Impact Statement

Section 203 authorizes non-Federal Interests to undertake feasibility studies of proposed water resources development projects for submission to the Secretary of the Army.

It provides the non-Federal Interest the flexibility to conduct their own studies in cases where time and Federal budget constraints may not align with the non-Federal Interests schedule and needs.
