

Scoping Meeting

Southwest Arkansas Red River Navigation (SWARRN) Section 203
Integrated Feasibility Report and Environmental Impact Statement

AGENDA

3 P.M. TO 5 P.M.

Information poster session begins

5 P.M. TO 7:30 P.M.

Project presentation followed by
public comment session

PURPOSE

Inform the community about the proposed navigation modification project to extend shallow-draft navigation on the Red River from Shreveport, Louisiana through Southwest Arkansas.

Receive public input regarding the initial scope of potential issues/alternatives to be addressed in the Section 203 Feasibility study and identify those to be analyzed further.

Use the information from the meeting in the development of an Environmental Impact Statement in compliance with National Environmental Policy Act (NEPA) requirements.

U.S. Army Corps of Engineers,
Vicksburg District
